

## **Information guideline for organizing a concert yourself**

The Jostiband makes sure that the concert is a party. We play 2 times 45 minutes. This is possible with a large orchestra or in a small line-up (minimum 30 people). The Jostiband plays no more than 12 times a year, so make sure to plan your concert well in advance.

We play everything from children's classics such as Twee Emmertjes Water Halen to church music and songs by Coldplay and Armin van Buuren. The concert is suitable for both young and old. During the concert, the orchestra leader and members of the orchestra will tell you more about the Jostiband.
